

Now is the Time to ReNEW.

Focusing on

Green Collar Careers,

ReNEW is the latest program from
Nontraditional Employment for Women (NEW).

ReNEW is now recruiting women for our next six-week session

About ReNEW:

Over the next decade, New York City is expected to create at least **13,000 Green Jobs**. The **ReNEW** program was created to provide women with the skills needed to compete for these jobs. During an intensive six-week training program taught by journey-level union members and experts in green construction, **ReNEW** students receive training in energy efficiency, home weatherization, photovoltaic basics and environmental literacy.

About NEW:

Founded in 1978, NEW prepares women for careers in the construction, transportation, facility maintenance, green and utility industries. NEW focuses on skilled, unionized jobs in the nontraditional fields with competitive wages, benefits, and paths to higher-wage employment.

Who can apply to be a ReNEW student?

Women who are:

- 18 years or older;
- Seeking an exciting career in a nontraditional industry;
- Have a high school diploma or GED;
- Willing and able to perform 8 hours of physical work each day;
- Interested in working for a green future!

**Candidates must attend an INFORMATION SESSIONS
to be considered for the next class.**

Call to Register at (212) 627-6252

243 West 20th Street (between 7th and 8th Avenues), New York, NY 10011

CANDIDATES MUST REGISTER TO ATTEND THE INFORMATION SESSION

LATE ARRIVALS WILL NOT BE ADMITTED
